## SmartSilver™ The Smarter Antimicrobial and Anti-Odor Answer™

• **Proven antimicrobial performance**

SmartSilver™ performance is proven through tough independent lab and user testing.

• **Real nanotechnology**

SmartSilver™ 19-nanometer nanoparticles were created to give fibers and fabric unmatched antimicrobial and anti-odor performance.

• **Permanent**

SmartSilver™ will not wear out, flake or rub off as long as care instructions are followed.

• **Easy to care for**

Machine wash and dry, cold water only, mild detergent, no bleach.
